

**PICTURE
DAY**

Photographer's Assistant Guidelines

Picture Day can be stressful for parents, dancers and teachers. Here are a few things to keep in mind during Picture Day to help make it a great experience for all involved.

Check in with the EAP Photographer when you arrive

— They likely have some things they need help with

Help manage the lines at the camera

— More structure means less confusion

Help students who want/need help with grooming details

- Hair is neat
- Costume is on correctly
- Tights are pulled up
- Shoes are tied

Thank you for your partnership and support!
